This is a unique, once-in-a-lifetime opportunity to see and enjoy San Francisco, Napa Valley and the Marines' Memorial Club with your squadron mates.

Yes, as you would expect, San Francisco is one of the most expensive cities to visit. However, through the efforts of George Cumpston and John Long, you will be able to stay at the Marines' Memorial Club & Hotel and take advantage of all the amenities at "Guest of Member" rates, or even save more at member rates. So, live like the "1%" for a week and treat yourself and spouse / guests to an experience that they will never forget!
