

HMM-265 Veterans Association, Inc.

January 12, 2018

Fellow Marines,

As I promised in the warning order, the details have been finalized and we are ready start registering and paying the reunion cost and booking our rooms. Please note that those are two completely separate processes. The registration form is below. Please print and complete the registration form and send it Chuck Johnson with your payment as soon as you can, but not later than March 31. Please make your hotel reservations as soon as you can, but not later than March 31 when our special rate expires. We only reserved 30 rooms, but if we need more and find out soon enough we may be able to get them. Suggestion: just grab your phone or computer and do it now.

Please note that there is a place on the registration form to put a tax-deductible contribution to support the Association's funeral wreath program. It is in the natural order of things that this cost will grow over time. Finding a workable fund raising project is a problem for an organization as spread out as we are, and many of us would always rather write a check than sell turkeys or light bulbs or whatever. We are already writing and mailing a check, so let's all dig just a little deeper so we can honor our comrades as they fall. For that matter, feel free to make a tax-deductible contribution even if you can't come. We'll miss you but will put your contribution to good use in the Association's funeral wreath program..

It looks like things are shaping up for a great mini-reunion. Let's all get those registration forms and checks in and rooms booked by March 31. We hope to see you there.

Semper Fi!

Chuck Johnson
